WINTER INTERNSHIP 2026 FOR POSTGRADUATE STUDENTS

Step into the world of cutting-edge research at IIT Indore.

The Winter Internship Programme invites motivated undergraduate students to work alongside distinguished faculty mentors across diverse disciplines, schools, and research centers. Conducted in offline mode, this immersive experience offers direct engagement with faculty and research scholars, hands-on exposure to advanced laboratories, and access to state-of-the-art facilities.

This is more than an internship — it is an opportunity to explore research frontiers, sharpen your analytical and technical skills, and build a strong foundation for higher studies and professional excellence.
