Letter of Recommendation for PhD Admission

- ***Referee Rating Scale:*** *Ratings should be provided on a scale of 1–5, where 5 indicates the highest rating. Referees may select NA (Not Applicable/Unable to Judge), wherever appropriate.*
- ***Submission of Letters of Recommendation:*** *Letters of Recommendation (LoRs) must be submitted directly by the referees through the online application portal. Each referee will receive an email containing a submission link and must use that link to submit the recommendation letter.*
- ***Purpose of This Template:*** *This template is provided for informational purposes only to familiarise referees with the information and fields required for submitting the Letter of Recommendation through the online portal. It is not intended to be submitted separately.*

1. Capacity in which I know the candidate
