Walk-in Advertisement for Senior Research Fellow for DST-UAY Project

The Indian Institute of Technology Indore invites applications for Senior Research Fellow (SRF) in a DST-UAY funded Research Project titled “Internal noise measurement, analysis, source identification and design counter measures for trucks and buses”. The position is for one year duration. The research work involves experimental investigation of noise and vibration inside the cabin of trucks and buses.

Eligibility Criteria:

M.Tech./M.E. degree in Mechanical Engineering with relevant research experience. Experience in experimental and numerical techniques in automobile NVH will be preferred.

Candidates fulfilling the above eligibility qualifications are strongly encouraged to appear for a walk-in interview and/or written test, the details of which are given below.

The candidates should bring following documents at the time of written test and/or interview:

1. Detailed Curriculum Vitae (CV) along with valid photo identity card and passport size photograph.
2. Original and attested photocopies of all documents, certificates, degrees and mark sheets (Xth class onwards).
3. Original and one attested photocopy of GATE score card and/or CSIR-JRF/NET examination result, if applicable.
4. Copies of certificates/testimonials/documents which the candidate may wish to bring to the knowledge of the selection committee.

Fellowship: INR 33000 per month (fixed)

Venue: Room 203, Meeting Room POD-1, Discipline of Mechanical Engineering, IIT-Indore,

Time and date of walk-in written test/interview: 11:00 A.M. on January 6, 2017 (Friday).

Applicant may email a copy of their detailed resume to Dr. Anand Parey at anandp@iiti.ac.in with subject line “DST_UAY_NVH”.
