Walk-in Advertisement for Senior Research Fellow for DST-SERB Project

The Indian Institute of Technology Indore invites applications for SRF/JRF in SERB funded Research Project titled “Investigation of Biodiesel Spray in an Optical Diesel Engine”. The positions are initially for six months duration. The research work involves experimental investigation of combustion in an optical diesel engine.

Eligibility Criteria:

B.Tech./B.E. with GATE qualification for JRF and M.Tech./M.E. degree for SRF in Mechanical Engineering with relevant research experience. Experience in experimental fluid flow visualization will be preferred.

Candidates fulfilling the above eligibility qualifications are strongly encouraged to appear for a walk-in interview and/or written test, the details of which are given below.

The candidates should bring following documents at the time of written test and/or interview:

1. Detailed Curriculum Vitae (CV) along with valid photographic identity card and passport size photograph.
2. Original and attested photocopies of all documents, certificates, degrees and mark sheets (Xth class onwards).
3. Original and one attested photocopy of GATE score card and/or CSIR-JRF/NET examination result, if applicable.
4. Copies of certificates/testimonials/documents which the candidate may wish to bring to the knowledge of the selection committee.

Venue: Room 302, POD-1B, Discipline of Mechanical Engineering, IIT-Indore,

Time and date of walk-in written test/interview: 11:00 A.M. on March 16, 2018 (Friday).

Applicant may email a copy of their detailed resume to Dr. Devendra Deshmukh at dlldeshmukh@iiti.ac.in with subject line “SERB_Engine-01”.
