Khandwa Road, Simrol, Indore - 453552

Date: 28th May, 2018

Advertisement for JRF Position

Applications are invited from eligible candidates for the position of 'Project Fellow' in a DST funded Research Project entitled "Exploration of cis elements in attracting AID to proto-oncogenes BCL6 and MYC leading to B-lymphoma".

Objectives of the Project

The main aim of project is to identify the cis-acting regulatory elements present on the proto-oncogenes BCL6 and MYC, responsible for attracting AID, by mapping of these gene sequences, followed by cell culture experiment to validate the same.

Eligibility

Essential Qualification:

M.Sc. (with valid GATE)/ M. Tech. Degree or equivalent in streams like Biotechnology / Biochemistry / Microbiology / Life Sciences or in any other science and engineering stream.

Desirable:

Candidates having experience in working in the area of Molecular Biology and familiar with cell culture techniques are encouraged to apply. CSIR / UGC/ DBT-JRF fellowship holders would be preferred.

Monthly Stipend:

As per norms (i.e. about Rs. 25,000 + 20% HRA (if hostel accommodation is not provided))

Duration:

Initial appointment will be for 6 months, which is extendable solely based on performance.

How to Apply

Interested candidates are requested to submit a detailed CV to Dr. Prashant Kodgire, Discipline of Biosciences & Biomedical Engineering, Indian Institute of Technology Indore, via e-mail: pkodgire@iiti.ac.in.

Last Date of Application: 15th June, 2018

Note:

1. CV should include details of academic grades starting from X standard onwards with details of year of passing, university or college, etc. and also work experience and nature of work if applicable. Complete details of NET/GATE such as year of passing/validity, discipline, marks, and All India Rank.
2. Only shortlisted candidates will be called for the interview. Selected candidates will be intimated by email. No TA/DA will be paid for appearing for the interview.
