Dr. Rajesh Kumar, Assistant Professor

Advertisement for the post of SRF

Applications are invited for the position of Senior Research Fellow (one) to work on a DST funded Project entitled "**Investigation of redox active conducting polymers for application in resistive memory devices.**" [Project No. SB/S2/CMP-012/2014].

The position is temporary and is available initially for one year and extendable upto 3 years or till the end of the project. The extension beyond the first year is solely based on performance of the candidate.

Number of Positions: 1 (SRF)

Essential Qualifications: As per DST Guidelines

For SRF: M.Sc. (or higher degree) in Physics/Chemistry or equivalent degree and must have qualified NET / GATE with minimum two years research experience from reputed organization/institute. or M.Tech. in relevant areas. Experience in working with organic semiconductors, conducting polymers, electrochromic materials and device physics will be an added advantage.

Stipend and other emoluments: As per DST rules.

Interested candidates are requested to submit a detailed CV to Dr. Rajesh Kumar, Discipline of Physics, Indian Institute of Technology Indore, via e-mail: rajeshkumar@iiti.ac.in

Please note that your CV should clearly mention contact details (address, phone no., email ID), date of birth, qualifications and details of experience (with name of organization/institute). Complete information with regards to GATE score such as: year of passing and validity, discipline, score, marks, all India Rank and number of candidates appeared should be mentioned in the CV. Incomplete applications will be rejected. Please include name of two referees who is familiar with your academic and research background

Last Date to Receive Applications: 20th October, 2015

Only shortlisted candidates will be intimated by email for an interview. No TA/DA will be paid for appearing in the interview.
