Dated: March 16, 2015

Applications are invited from eligible candidates to appear for **walk in interview** to work as **Senior Research Fellow** in a DBT funded Research Project entitled "**Carbon sequestration from thermal power plant by metal tolerant cyanobacterial species**".

Description: Increase of carbon dioxide besides methane and oxides of nitrogen in the atmosphere is leading to climate change. It is the increased demand for energy which underlies the projected increase in CO₂ emissions. Carbon sequestration, capturing and storing carbon emitted from the global energy system, could be a major tool for reducing atmospheric CO₂ emissions.

Stipend: Rs. 21,800/- consolidated per month.

Duration: Till the completion of project.

Eligibility: Academically good Master degree in Biotechnology/Environmental Sciences/Biochemistry with minimum 60% marks/equivalent grade with two years research experience. Candidate with ICMR/CSIR/UGC-JRF or valid GATE Score will be given preference.

Interested candidates are requested to attend **walk in interview** on 30th March, 2015. The candidates should bring Detailed Curriculum Vitae along with valid photographic identity card, Original and attested photocopies of all documents (10th class onwards) at the time of interview:

Time and date of walk-in interview: 09:00 hrs on March 30th, 2015 (Monday).

Venue: IIT Indore, PACL Campus, Survey No. 113/2-B (Opposite Veterinary College), Mhow Road, Village Harnia Khedi, Tehsil Mhow, District-Indore, Pin code 453441, Madhya Pradesh.

Candidates may also email a copy of their detailed CV to Dr. Kiran Bala at kiranb@iiti.ac.in.

The appointment is purely temporary and co-terminus with the project. No TA & DA will be paid for attending the interview. Candidates should make their own arrangements for stay in Indore.
