Pre-bid queries and Responses for SERVER

The meeting for pre-bid discussion and presentation was held at IIT-Indore on **12/03/2018 at 11.00 a.m.** The report of the meeting is as below. All prospective/willing bidders are requested to **take note of this report as part of the Tender document.**

1. SERVER			
Queries received from M/s Netweb Technologies, Haryana			
	Tender Clause Reference / Tender technical specification	Queries	Response/Remarks from IITI
a	Technical Bid (Part-II) Point No. 4 and Point No. 10	Kindly Change this clause to availability of spares for a period of 6 years	No Change in the tender
b	Chapter – 11 (Technical Specifications) 1U Server Solution – Master Node RAID Controller	Kindly Specify which RAID Level do you want to deploy on the Hard Drives.	To be finalized with L1 bidder
c	Chapter – 11 (Technical Specifications) Additional Requirements Point No. 12	Kindly change this to at least 1 entry in Top500 Supercomputer List.	No Change in the tender
2. Queries received from Unicomp Infosolutions Pvt. Ltd. Mumbai			
	Tender Clause Reference / Tender technical specification	Queries	Response/Remarks from IITI
a	30 TFLOPS Peak performance	the Current 4 nos of servers of server listed in the Tender may not require 30 Tflops for comparison a lower performance based on tendered specs should be considered	No Change in the tender

b	certificate for supply fo same no of cores	Vendors capability is independent of the cores because it is a standard solution. No of cores actually will should not matter.pl relax this term by removing same no of cores.	No Change in the tender
c	Turnover of 10 crores	in the previous tender in Prebid Report request to change to 5 crores was accepted . Normally the TO requirement is around 6 times max of the order value and hence 5 crores is a sufficient ask based on the same. request to please amend.	No Change in the tender
d	Spare Parts Assurance for 10 years	10 years is a huge time in IT with latest product lines being rolled over almost every quarter. We request you to please revise this to 3 years till the Warranty period. Products Like CPU / RAM architecture and types change every Quarter and hence it is not feasible for any OEM to give ACTUAL assurance of 10 years.	No Change in the tender
e	(THIS TERM WAS THERE IN PREVIOUS TENDR BUT NOT IN THIS ONF.	Brands from reputed OEMs only should be preferred. Server OEM must be in TOP 3 of IDC APEJ Quarterly Server tracker Q1 2017	No Change in the tender
