Date - 18/03/2025

PREBID REPORT

The online meeting for Pre-bid discussion and presentation was held via Google Meet on March 04, 2025 @ 03:00 P.M. at IIT Indore for Procurement of Interactive LED, Qty-20 through GeM Custom Bidding, Bid No. GEM/2025/B/5992033.

The report of the meeting is as below:

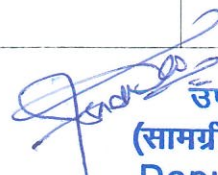

Sl. No	Firm Name	Reference Document	Query Raised/Suggestions	Response/ Clarification from IITi
1.	M/s. Khandelwal enterprises	Technical	Kindly Allow Built in Speaker wattage to 14W and Above	Change 16 watts to 20 watts x 2 Nos
2	M/s. Khandelwal enterprises	Technical	Kindly allow Brightness to 400 nits	Change to 400 nits and above
3	M/s. Khandelwal enterprises	Technical	Kindly remove DP and VGA Port	No change (Ports required)
4	M/s Samyak Computer	Technical specification point 12 Brightness (typical) 450 nits or higher	The current requirement is 450 nits. If this can be adjusted to 400 nits, more Indian manufacturers will be able to participate while maintaining display quality	Already answered at SI No.-2
5	M/s Samyak Computer	Technical specification point no.22 Hardness (Mohs) : should have at least 9H tempered	The requirement should specify at least 7H tempered glass (Mohs scale) to ensure durability. We believe these minor adjustments will increase competition while still upholding high-quality standards for the bid	Change to 7H and above
6	M/s Samyak Computer	Built in speaker 20Wx2	The current requirement is 20W.Allowing 14W and above will enable access to high-quality products without compromising audio performance	Already answered at SI No. 1

7	M/s Unicom Infotel Private Limited	Hardness (Mohs)- Should be atleast 9H Tempered	We request authority to please amend this requirement as below. "Should be at least 8H Tempered or Higher" So other reputed OEMs can bid.	Already answered at SI No.-5
8	M/s Unicom Infotel Private Limited	Total Port Including Front Ports)- HDMI 2.0- 3 IN and 1 OUT, DP 1.2- 1 IN, VGA- 1 IN, Type A- USB 3.0 - 2 nos., USB 2.0 - 2 nos., Touch USB Type B 2.0- 2 nos., USB Type C- 2 nos., RS 232, RJ45 (10/100/1000 Mbps) , OPS Slot, PC Audio In and Out, SPDIF out (Optical)	In place of USB2.0 we will provide total Better : USB3.0 x 5 Ports. We request authority to please remove "VGA- 1 IN" requirement as its very old and outdated technology. Even user coming with any VGA based laptop or computer will have built in HDMI port. so, it's better to be connected external sources with HDMI port.	OK VGA port can remove
9	M/s Unicom Infotel Private Limited	Power Consumption (Typ.)- 80 W or less	<240W We request authority to please mention correct power consumption value. As none of the 75" panel can run on an 80W with full load. Please amend it as. "250 W or less"	Change to 250 W or less
10	M/s Unicom Infotel Private Limited	Wireless Content Sharing- Ability to wirelessly share 9 simultaneous devices at a time from Android/iOS based smartphones and tablets and Windows/ MAC laptops. Reverse casting & Annotation is also possible to display the content from IFP to your own Laptop, android, or I-pad.	We request authority to please amend this requirement as below. "Ability to wirelessly share 4 simultaneous BYOD devices at a time from Android/iOS-based smartphones and tablets and Windows/ MAC laptops." Reason: Practically wirelessly share 9 simultaneous devices at a time from Android/iOS-based smartphones and tablets and Windows/ MAC laptops will not serve the mirroring purpose and will not give you a required visibility as compared to 98" or higher size panel.	Accepted allowed 4 screens
11	M/s Unicom Infotel Private Limited	Built in Whiteboard software in Android	We request authority to please amend this requirement as below. "Built in Whiteboard software in Android/Windows/Web" So other reputed OEMs can bid.	Accepted
12	M/S, Veltronics india pvt ltd	Point no. 12	Brightness (Typical)- 450 nits or higher We request you to amend 440 or above	Already answered at SI No.-2
