### PREBID REPORT

The online meeting for Pre-bid discussion and presentation was held via Google Meet on Oct 23, 2023 @ 3.00 PM at IIT-Indore for Procurement of Network Switch through GeM Custom Bidding, Bid No. GEM/2023/B/4036421.

The report of the meeting are as below:

| Sl. No. | Query raised by firms              | Reference Document        | Query/Clarification/Deviation Sought  | Response from IITI   |
|---------|------------------------------------|---------------------------|---|--|
| 01      | M/s. Teraform IT Solutions Pvt Ltd | Specification Document    | <b>Performance Requirements:</b><br>Shall have minimum 4GB flash.<br>In compliance to the clause, no 10 of Nodal Ministry Order dated 29.8.18 under PPP-MII, it is mandatory to follow TEC GRs and all domestic products are developed and designed as per TEC GR requirement. As per technical requirements outlined in the latest LAN Switch GR bearing no.TEC/GR/IT/LSW, issued by TEC, vide clause no.3.1, there is no specific requirement of minimum Flash/ RAM size for LAN switch since they vary as per different OEM's product architecture" we request you to amend the clause as , Switch should have minimum 1GB flash"  | Accepted Switch shall have minimum 1GB flash.  |
| 02      | M/s. Teraform IT Solutions Pvt Ltd | Specification Document    | <b>Evaluation Compliance:</b><br>Switch / Switch's Operating System should be tested and certified for EAL 2/NDPP or above under Common Criteria Certification.<br>"TEC certification ensures that the offered switch is inline to the TEC generic and essential requirements (Prepared by DoT). EAL2/NDPP both are foreign certifications and restrictive for domestic OEMs. We request to allow TEC certification and amend the clause as an alternate option of EAL2/NDPP."  | Switch / Switch's Operating System should be tested and certified for TEC certification or EAL 2/NDPP above under Common Criteria Certification                                  |
| 03      | M/s. Teraform IT Solutions Pvt Ltd | Additional Recommendation | <b>New Clause to be added:</b><br>Product Certification<br>We request you to kindly review certificate requirements as per MII policy to add in the current bid which empowers the buyer to ensure authentic and certified products are quoted by the OEMs/ bidders. As per DPIIT's approved Nodal Ministry DoT's policy dated 29th August 2018 vide clause no. 10, the offered product family, series or product should be TSEC certified. The same has been asked in majority of the tenders. The change request is in compliance to same. We request you to additionally ask for,"The offered product or any product from the offered product family/ product series should be TSEC certified based on TEC GR of LAN Switch.". Kindly confirm. | The offered product or any product from the offered product family/ product series should be certified from Indian bodies i.e. TEC/TSEC, STQC, BIS or any accredited lab by them |

|    |                                    |                           |   |  |
|----|------------------------------------|---------------------------|---|--|
| 04 | M/s. Teraform IT Solutions Pvt Ltd | PPP-MII Policy            | <b>GEM BID DOCUMENT:</b><br>Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products.<br>VAPT is Indian equivalent to cybersecurity/ safe to use certificate which is conducted by Gol accredited labs in India. This will ensure the product is free from malicious codes and is safe from cybersecurity point of view. | Preference will be as per PPP-MII Policy |
| 05 | M/s. Tejas Networks, OEM           | Specification Document    | <b>Performance Requirements:</b> Shall have minimum 4GB flash. Same query as above  | Same as above                            |
| 06 | M/s. Tejas Networks, OEM           | Specification Document    | <b>Evaluation Compliance:</b> Switch / Switch's Operating System should be tested and certified for EAL 2/NDPP or above under Common Criteria Certification. Same query as above  | Same as above                            |
| 07 | M/s. Tejas Networks, OEM           | Additional Recommendation | <b>New Clause to be added:</b> Product Certification<br>Same query as above   | Same as above                            |
| 08 | M/s. Tejas Networks, OEM           | Additional Recommendation | <b>New Clause to be added:</b> The offered product should have VAPT certification.
