

IIT Indore

Fully funded

6 Days short term course for PG students

Introduction to Computational Fluid Dynamics

with applications in Energy Research

July 26 - 31, 2021

Event type: National
Mode: Online

Registration Fee

Scope

This is a 6 days short term course, funded by SERB, DST, Govt. of India, to support regular PG level students (25 students only) having a strong orientation towards scientific and engineering research, and are pursuing their degree from University within India in the fields of Science & Engineering and having an interest in scientific research.

Who can apply?

PG students from universities, colleges, private academic institutions.

Others (UG students, Faculty members, scientists, etc) can also apply but will have to pay a registration fee of Rs. 2,500 + 18% GST (Total: Rs. 2,950); Scientists: Rs. 5,000 + 18% GST (Total: Rs. 5,900).

e-Certificate

e-Certificate will be given at the end of the course.

Registration Deadline

July 25, 2021

Registration Form:
<https://bit.ly/3iycq4>

Lectures

Offered by experts from IITs, IISc and other reputed institutes and research organizations

Funded by SERB (DST, Govt. of India)

Organised by Mech. Engg., IIT Indore

6-Days short term course on "Introduction to Computational Fluid Dynamics with applications in Energy Research, July 26- 31, 2021 at IIT Indore, Dr. Dhinakaran (Coordinator)

Under the ACCELERATE Vigyan Scheme through **Karyashala** Program

About IIT Indore

Indian Institute of Technology Indore is one of the centrally funded premier institutions under the Ministry of Education, Government of India, located in Indore, India. IIT Indore is ranked 10th in NIRF 2020.
