

Professor Kapil Ahuja, who serves as Professor in Computer Science and Engineering at IIT Indore, has been honored with the prestigious National Teachers' Awards 2024 by the Honorable President of India on the occasion of Teachers' Day (5th September 2024). The selection has been done by the Department of Higher Education, Ministry of Education, Government of India through a nationwide rigorous transparent and online two-stage selection process.

Professor Kapil Ahuja has fourteen years of rich teaching experience in India and the US, and heads the Mathematics Data Science and Simulation Research Laboratory at IIT Indore. Due to his high student feedback, he has already received the Best Teacher Award at IIT Indore five times. Most of his teaching involves a research component. He also started the first Master of Science by Research (M.S. Research) program at IIT Indore. As the founding Dean of International Affairs, he has taken the teaching at IIT Indore to the international level as well.
