

Congratulations!

Dr. Dhananjaya Thakur, PhD-2019-IIT Indore (presently at Chinese Academy of Sciences, Lanzhou) has been awarded the international **INFN Fellowship, Italy-2023**. He has got the 4th position out of 20 selected candidates. He will be working at INFN Torino, Italy.

Dr. Sushanta Tripathy, PhD-2019-IIT Indore (presently INFN Fellow, Italy) has been selected to work at CERN, Switzerland after getting the prestigious **CERN Fellow** position-2023.

Dr. Arvind Khuntia, PhD-2019-IIT Indore (presently a postdoctoral fellow in Prague, CZ) has been awarded the prestigious **Young Scientist of Odisha Physical Society (OPS)-2022**.

This makes the Department of Physics, and IIT Indore glorious in the international platform.

All of them did Ph.D. in ALICE experiment at CERN under Prof. Raghunath Sahoo.
