## Advertisement for One JRF Position

Applications are invited from motivated and eligible candidates for one JRF position in the SERB sponsored research project *Experimental study of rain microphysics and associated rain integral parameters over central India*.

The project involves experimental observation of rain and cloud microphysics and modelling of the same. The candidate is expected to involve in handling meteorological instrument, analysis of data and physical interpretation of the results. A background in Physics or Atmospheric Science is desirable. The candidate will be encouraged for enrolling to PhD program at IIT Indore, however, is not compulsory.

The search will commence immediately and continue until the position is filled. Interviews will be held at IIT Indore Simrol Campus, Indore – 453552. Candidates interested in this position should apply by emailing their CV to **Dr. Saurabh Das** via e-mail: [saurabh.das@iiti.ac.in](mailto:saurabh.das@iiti.ac.in). Please mention “Application for JRF position” on the subject line.

Only shortlisted candidates will be called for an interview. No TA/DA will be paid for appearing in the interview.

**Eligibility:** Master’s degree with 1<sup>st</sup> class in Physics/ Mathematics/ Statistics/ Atmospheric Science/ Computer Science or any other relevant areas

or

B.Tech. degree with 1<sup>st</sup> class in Computer Science/ ECE / Radiophysics or any other relevant areas

**Essential Qualification:** GATE, INSPIRE or NET-JRF

**Fellowship:**

31,000/- p.m. + Applicable HRA as per IIT Indore rule

**Duration:** The appointment is for six months initially and is likely to continue till the end of the project based on the performance of the candidate.
