IIT Indore

Advertisement for Project Assistant

Applications are invited from highly motivated and eligible candidates for the Project Assistant (PA) position in the Discipline of Mechanical Engineering at IIT Indore. The PA is expected to work on a project. The successful candidate is expected to develop a digital twin-based decision support system for application in the healthcare domain.

Duration: 12 months

Emolument: The PA will be paid a consolidated salary in the range of Rs. 25,000 to 37,000/- per month based on education qualification, experience, and performance in the interview.

Eligibility:

Essential Qualification:

- B.Tech or M.Tech in mechanical/industrial engineering or related areas.

Desired qualification

- Candidates who are well-versed in programming languages like Python and have worked on data science problems will be preferred. Additionally, the candidate having prior experience working with a university or industry in consultancy/research projects in data science, data engineering, and data analytics roles will be preferred.

Application Last Date: Rolling basis. Shortlisting will be done frequently as soon as enough applications are available.

How to Apply: The application should only be submitted via the following Google form link.

Application Link: <https://forms.gle/A9xVQ8YvCRR5MWrV7>

Interview Venue: ONLINE. A Google Meet link will be shared only with the shortlisted candidates before the date of the interview.

Important Note: Only shortlisted candidates will be informed about the date of the interview by email. Before shortlisting for the interview, a short phone conversation may be included depending on the number of applicants. Mere fulfillment of essential qualifications does not entitle the selection. Shortlisting will be done based on the suitability of the candidate's profile and his experience and number of applications. IIT Indore reserves the right not to fill up the advertised post if the candidates are not found suitable for the post.
