Advertisement for Research Scientist

Applications are invited from motivated and eligible candidates for a Research Scientist (RS-1) position in the research project titled “Design and development of Ti6Al4V/hydroxyapatite based functionally graded material using direct metal laser sintering for dental implant application”.

Eligibility: M.Tech. in Mechanical or Metallurgy Engineering with **two** years of research experience in relevant areas.

Desirable: The candidate having prior experience in Additive manufacturing will be desired

Stipend: Rs. 56,000 per month + 18% HRA

Duration: The appointment is for six month.

How to Apply: Interested candidates are requested to submit a detailed CV to Dr. Girish C. Verma, Department of Mechanical Engineering, IIT Indore, via e-mail girish.verma@iiti.ac.in by Feb 18, 2024.

Only shortlisted candidates will be intimated by e-mail for an interview (via online mode). No TA/DA will be paid for appearing in the interview. The appointment is purely temporary and co-terminus with the project. Mere fulfillment of essential qualifications does not entitle the selection. IIT Indore reserves the right not to fill up the advertised post if the candidates are not found suitable for the post.
