(A Section 8 - Not for Profit Company)

Advt. No. – IITI-DRISHTI-CPS/Sec-8/2026/03

Date: 06th February 2026

IITI DRISHTI CPS Foundation is a Technology Translation Research Park (TTRP) hosted at IIT Indore and supported by the Department of Science & Technology (DST), Government of India. The Foundation focuses on Digital Healthcare, Cyber-Physical Systems, system simulation and modelling, translational research, and commercialization of deep-tech innovations. The Foundation works closely with researchers, clinicians, hospitals, healthcare institutions, government bodies, and industry partners to translate technologies from early-stage research to large-scale deployment and commercialization. One of the flagship platforms developed in-house is CharakDT, a rapidly evolving Digital Health and Clinical Decision Support ecosystem. More details about the company are available at: <http://drishticps.iiti.ac.in/>

Job Title: Executive - Startup Program

Job Location: IIT Indore

Key Responsibilities

Job Summary

He/she is responsible for operationalizing the startup incubation programs, providing support to early-stage companies, and ensuring their successful development and growth. This role involves managing the day-to-day operations of the incubator, arrange for mentoring of startups, facilitating access to resources, and building a network of investors, mentors, and industry experts. The ideal candidate will have a strong entrepreneurial background, excellent organizational skills, and a passion for fostering innovation.

Program Management:

- Oversee the day-to-day operations of the startup incubation program.
- Implement strategies to attract and select high-potential startups.
- Execute incubation programs, including workshops, mentorship sessions, and networking events.

Startup Support:

- Arrange one-on-one mentorship and strategic advice to startups.
- Assist startups in developing business plans, financial models, and go-to-market strategies through mentors.
- Connect startups with potential investors, customers, and partners.

Resource Facilitation:

- Ensure startups have access to necessary resources, including office space, technology, and business services.
- Coordinate with external service providers and partners to offer specialized support.

Network Building:

- Build and maintain a strong network of mentors, industry experts, investors, and other stakeholders.
- Organize and facilitate networking events, pitch sessions, and demo days.

Performance Tracking and Reporting:

- Monitor and evaluate the progress of incubated startups.
- Collect and analyze data to measure the impact and success of the incubation program.
- Prepare and present regular reports to senior management and stakeholders.

Community Engagement:

- Foster a collaborative and innovative community among incubated startups.
- Represent the incubator at industry events, conferences, and in the media.

Skills:

- Strong understanding of startup ecosystems and entrepreneurial processes.
- Strong networking and relationship-building abilities.
- Proficiency in Microsoft Office Suite and project management tools.
- Ability to work as part of a team.

Qualifications & Experience

- **Education:** Bachelor's degree in Science/Business/Entrepreneurship/Technology, or a related field
- **Experience:** Minimum of 1 years of experience in entrepreneurship, startup management, or business development. Proven track record of supporting or managing early-stage companies.
