

# JAYAPRAKASH NARAYAN NATIONAL CENTRE OF EXCELLENCE IN THE HUMANITIES

## Advertisement for Hiring a Web Developer (Project Basis)

**Project Title:** 'Building a Digital Library of Sindhi Folklore: Safeguarding and Integrating the Intangible Cultural Heritage of India'

The Jaya Prakash Narayan National Centre of Excellence in the Humanities (JPNCOEH) invites applications from qualified and experienced candidates for engagement as **Web Developer(s)** on a purely project basis under select Centre-led research initiatives.

### Web Developer (Project-Based)

No. of position: 01

Remuneration: 60,000/month

Duration: Six months(Extendable based on requirement)

### Key Responsibilities:

- Design, develop, and maintain a digital repository for Sindhi folklore.
- Implement responsive and accessible user interfaces.
- Integrate metadata standards, identifiers, and scholarly publishing tools.
- Ensure smooth server deployment and maintenance.
- Collaborate with the research team to translate project requirements into technical solutions.

### Required Skills and Experience:

- Advanced proficiency in **JavaScript (ES6+)**, including frameworks such as **React, Vue, or Svelte**.
- Experience with **responsive design frameworks** such as **Bootstrap** and/or **Tailwind CSS**.
- Hands-on experience with **Open Journal Systems (OJS)**.
- Experience working with **other CMS platforms**.
- Understanding of **server management**, including **Linux basics, Apache/Nginx configuration, and SSH**.
- Familiarity with **metadata standards, TEI and IIIF** relevant to digital repositories.
- Understanding of **DOI assignment, Crossref integration, and ORCID linking**.
- Ability to work independently and meet project deadlines.

### Duration & Remuneration:

- The appointment will be purely on a project basis.
- Remuneration will be commensurate with qualifications and experience, as per institute norms.

### How to Apply:

Interested candidates may send their **CV, portfolio (if available), and a brief statement of relevant experience** to the undersigned/email ID (to be specified) within the stipulated deadline. The above-mentioned details should be sent via email to [jpncentre@iiti.ac.in](mailto:jpncentre@iiti.ac.in) with the **subject line: Application for Web Developer - [Your Name]**. The last date for submission of applications and references is **6<sup>th</sup> March 2026**.

**Note:** Shortlisted candidates will be invited for an interview. The selection will be based on the candidate's qualifications, experience, and overall performance.
