

# Centre for Advanced Electronics

## Indian Institute of Technology Indore

Simrol, Indore – 453552, Madhya Pradesh, India

### **Rolling Advertisement for DST-INSPIRE Faculty/ Ramanujan Fellows**

Applications are invited from DST-INSPIRE faculty and Ramanujan fellowship awardees. The institute seeks candidates for these positions in Centre for Advanced Electronics (CAE) at IIT Indore with substantial research/industrial experience in the following areas:

- a) Nanoelectronics**
- b) Advanced Semiconductor Technology**
- c) Device Fabrication**
- d) Optoelectronics**
- e) Integrated Photonics, Silicon Photonics**
- f) IC Packaging**
- g) Utilization of Electronic Waste**

We are looking for the candidates with strong publication/patent record. The successful candidate(s) would be expected to contribute significantly to the ongoing research activities to fulfill national semiconductor needs along with participating in expanding the current academic program of CAE, specifically to establish a Masters program. To apply, please send in a cover letter, a CV with list of publications, offer letter of your INSPIRE Faculty/Ramanujan fellowship and a research statement to [head-cae@iiti.ac.in](mailto:head-cae@iiti.ac.in). Further details can be found on <http://cae.iiti.ac.in/>.
