Advertisement for JRF Position under NTTM Sponsored Project

Applications are invited from motivated and eligible candidates for a Junior Research Fellow (JRF) in the SERB funded research project entitled '**Textile electrodes coated with agri/bio-waste-derived activated carbon for high-performance, eco-friendly, flexible all-solid-state supercapacitors**'.

Objective of the project: *The scope of this project is to establish a novel protocol for designing and developing the textile electrode from the agri/bio-water derived carbon for application energy storage devices.*

Duration: The appointment is for **one year**. The appointment is co-terminus with the project, or the candidate not perform well. *The selected candidate will be considered for admission to Ph.D. Program as a regular full-time scholar at IIT Indore through a separate process as per the Institute norms.*

Stipend: Rs. ~31,000 + HRA (as per NTTM norms)

Eligibility: M.Sc. in Chemistry/Physics/Materials Science/Nanoscience or M. Tech. in Nanotechnology/Materials Science and Engineering or equivalent discipline with minimum 60 % marks. **GATE or NET-LS will be preferred.**

How to apply: Interested candidates are requested to submit a **detailed CV** along with **necessary documents** and one-page **statement of interest** to Dr. Rupesh S. Devan, IIT Indore, via email at rupesh@iiti.ac.in with the subject line "**JRF application for NTTM project**" by **29rd August 2023**.

Note:

- CV should include academic details (grades, year of passing, specialization, university/school, etc.) in chronological order from 10th standard onwards, address for communication/residence, work experience and nature of work (if applicable), complete details of GATE and/or NET, email ID, etc.
- Incomplete applications will be rejected.
- Only shortlisted candidates will be intimated by email for an interview.
- No TA/DA will be paid for appearing in the interview.
- The self-attested photocopy and original document in support of educational qualification and work experience must be produced at the time of the interview.
- For ongoing research activities, please refer to website of PI and Co-PI.
