**Advertisement for JRF Position in the
Department of Mechanical Engineering**

Applications are invited from high caliber, enthusiastic and research-oriented students for the position of Junior Research Fellow (JRF) in a sponsored research project titled “ Flow and heat transfer-related technologies for engineering applications .”

Essential Qualification: First Class B.E./B.Tech./M.E./M.Tech in Mechanical Engineering or related branch. Candidate must have qualified for the GATE in the Relevant area.

Desirables: The candidate should have good knowledge of heat transfer, fluid mechanics, and a basic understanding of electrical engineering.

Monthly Stipend: Rs. 37,000 per month. HRA as per rules (if accommodation inside the institute is not provided)

Duration: The Initial appointment is for one year.

How to Apply:

1. Interested candidates are requested to submit a statement of purpose (SOP) and a detailed CV to Dr. Harekrishna Yadav (krishnpme@iiti.ac.in), via email only with the subject line as “Application for JRF position in Sponsored Project”. The last date of submission of the application is **August 07, 2025**.
2. In the SOP, the candidate may write about his/her past research work, any relevant research project done by the candidate, his/her idea for future research or views on the above project based on the literature search, etc.
3. The CV should include complete information such as academic grades/percentage starting from Xth standard onwards, with the details of year of passing, university or college, GATE score (if available) with year, contact details, and a valid email ID. Kindly mention the work experience in detail of related field. Incomplete applications will be rejected.
4. Only shortlisted candidates will be intimated by email for an online interview.
5. In case of any query related to above project, kindly email to Dr. Harekrishna Yadav.
