Advertisement for Junior Research Fellow

Applications are invited from motivated and eligible candidates for a Junior Research Fellow (JRF) position in the research project titled “Development of Ti6Al4V/hydroxyapatite based functionally graded material using direct metal laser sintering for orthopaedic implant application”.

Eligibility: M.Tech. in Manufacturing Engineering or M.Tech. in Metallurgy Engineering or M.S in Mechanical Engineering or B.Tech in Mechanical Engineering with one year of experience.

Desirable: The candidate having prior experience in Additive manufacturing will be desired

Stipend: Rs. 37,000 per month + 18% HRA

Duration: The appointment is for six months.

How to Apply: Interested candidates are requested to submit a detailed CV to Dr. Girish C. Verma, Department of Mechanical Engineering, IIT Indore, via e-mail at girish.verma@iiti.ac.in by July 05, 2024.

Only shortlisted candidates will be intimated by e-mail for an interview (via online mode). No TA/DA will be paid for appearing in the interview. The appointment is purely temporary and co-terminus with the project. Mere fulfillment of essential qualifications does not entitle the selection. IIT Indore reserves the right not to fill up the advertised post if the candidates are not found suitable for the post.
