Advertisement for Recruitment of Project Assistant

11-May-2026

Applications are invited from motivated and eligible candidates for a Project Assistant position in the research project **Machine Learning Driven Genome Wide Association Studies for Improvement of Crops**. In this project, we will be developing a machine learning method for multiple crops to identify candidate genes using state-of-the-art machine learning and deep learning models.

Eligibility: At least B.Tech./B.E./any other UG degree in Computer Science/ Bioinformatics/ Biotechnology and related disciplines. Strong knowledge of python programming, Linux and courses like ML/DL is a must.

Fellowship and Duration: Project Assistant will be paid consolidated salary of INR 20000 per month. The initial appointment will be for one year, which could be extended to one more year based on performance.

How to apply: Interested candidates are requested to submit a detailed CV to Prof. Kapil Ahuja via e-mail: modsslabiiti@gmail.com.

Last Date of Application: 31 May 2026.

Note: Only shortlisted candidates will be notified via email for an online interview, which is expected to be scheduled in the first week of June. Only immediate joiners may apply. The selected candidate is expected to join in the second week of June.
