IIT Indore

Advertisement for Project Assistant

Applications are invited from highly motivated and eligible candidates for the position of two Project Assistant (PA) in the Discipline of Mechanical Engineering at IIT Indore. The PA is expected to work in a project. The successful candidate is expected to develop simulation-based tools for shop floor planning and reliability engineering.

Duration: The opening position is for 89 days.

Post successful completion of the 89 days tenure and based on the performance of the candidate during this period, candidate may be considered for evaluation for various positions at IITI DRISHTI CPS Foundation.

Emolument: The PA will be paid a consolidated salary in the range of Rs. 25,000 to 35,000/- per month based on education qualification, experience, and performance in the interview.

Eligibility:

Essential Qualification:

PA-I (Industrial Engineering)

B.Tech or M.Tech in mechanical/production and industrial engineering or related areas.

Desired Qualification: The candidates who are well versed in programming language like Python and have worked on production scheduling problems and related software tools will be preferred. Additionally, the candidate having prior experience of working with industry/consultancy in industrial engineering areas will be preferred.

PA-II (Software Development)

B.Tech or M.Tech in Computer Science, Software Engineering, and Data Science or related areas.

Desired Qualification: The candidate who is well versed with one or more languages like Python, Java, will be preferred. Additionally, the candidate having prior experience of working with industry/consultancy on software development will be preferred.

Application Last Date: Rolling basis. Shortlisting will be done frequently as soon as sufficient number of applications are available.

How to Apply: *The application should only be submitted via this google form:*

<https://forms.gle/JzJdC5DUxmoH4v7c7>

Interview Venue: ONLINE. Google meet link will be shared only with the shortlisted candidates before the date of the interview.

IMPORTANT:

Only shortlisted candidates will be informed about the date of the interview by email. The appointment is purely temporary and co-terminus with the project. Mere fulfillment of essential qualifications does not entitle the selection. Shortlisting will be done based on the suitability of the candidate's profile and his experience and number of applications.

IIT Indore reserves the right not to fill up the advertised post if the candidates are not found suitable for the post.
