Ref.: IITI/DCE/SAC-ISRO

Dated: 10.11.2025

Advertisement for Research Associate (RA) Position

Applications are invited from highly motivated candidates for one Research Associate (RA) position in a SAC-ISRO funded research project entitled, “Glacier studies on Durung Drung Glacier” at Department of Civil Engineering, IIT Indore. The major objective of this project is to develop field- and remote sensing-based understanding of Durung Drung Glacier mass balance.

Eligibility:

Essential Qualification:

- (i) PhD degree in: Glaciology, Hydrology, Water Resources, Remote Sensing, Geosciences, **OR**
- (ii) Master’s degree in engineering: Hydrology, Water Resources, Remote Sensing, Geosciences or equivalent branches, with three years post-master research experience.

Desirable Qualification:

Candidates having strong experience in the field glaciology, experience in GIS, programming and basic mountaineering skills are encouraged to apply.

Stipend:

The amount of RA salary will be as per ISRO norms.

Duration:

Initial appointment will be for three months, which is extendable up to end of the project (September 2026) based on performance.

How to Apply:

Interested candidates are requested to submit a motivation letter and a detailed CV including all academic background and work experience to Dr. Mohd. Farooq Azam, Department of Civil Engineering, IIT Indore, via e-mail: farooqazam@iiti.ac.in with subject line “**Application for RA position in SAC-ISRO project**” latest by 5 PM 31 October, 2025. Complete information with respect to MTech/PhD such as year of Award, discipline, experience certificates should be mentioned in the CV. Incomplete applications will be rejected. Only shortlisted candidates will be invited for the interview (online).

Note: The Institute reserves the right to fill or not to fill the post advertised.
