## **Advertisement for Junior Research Fellow Position**

Applications are invited from the motivated and eligible candidates for the post of Junior Research Fellow in a Indo-Russian Joint Research Project funded by Department of Science & Technology, Government of India and Russian Foundation for Basic Research (RFBR) of Russia titled "Heat Transfer intensification in novel design micro-pin-fin heat sink for microprocessor cooling with improved temperature uniformity".

## The objective of the project:

Aim of this project is to investigate a novel design micro-pin-fin heat sink for microprocessor cooling with improved temperature uniformity and quantify possible enhancement in the overall heat transfer coefficient. Significantly improved performance in micro-pin-fin heat sink compared to current systems while observing the simplicity of design and affordability of manufacture, leading to significantly reduced capital costs.

## **Eligibility:**

## **Essential Qualification:**

- 1. M. Tech/M.E. degree in Thermal Engineering/Mechanical Engineering.
- 2. GATE qualified in Mechanical Engineering.

#### Desirable:

Candidate with prior experience on modeling work in single-phase/two-phase flow using commercial software such as ANSYS/Fluent will be given preference.

#### Stipend:

The amount of JRF fellowship will be as per the funding agency norms.

#### **Duration:**

The initial appointment is till December 31, 2020 & it may extend further till the end of project.

## **How to Apply:**

Interested candidates are requested to submit a detailed CV to Mahesh Jhade, via e-mail: mjhade@iiti.ac.in with the subject line "JRF Application P-350" latest by 18/10/2020.

The CV should include details of academic grades/percentage, year of passing, college, university starting from SSC onwards. **Kindly mention the work experience in detail of related field**. GATE score details like year of passing, discipline, marks, score and all India rank should be mention in the CV. Incomplete applications will be rejected. In case of any query related to the project, kindly email to Dr Ritunesh Kumar at <a href="mailto:ritunesh@iiti.ac.in">ritunesh@iiti.ac.in</a>.
