Advertisement for Recruitment of RA

Advt. No: IITI/MATH/RA/02	Date: 28/10/2026
Applications are invited from interested and motivated candidates for the post of research associate in a research project as per the following details.	
Position	Research Associate/ Post doctoral fellow
Funding Agency Name	Anusandhan National Research Foundation (Grant no. ANRF/ECRG/2024/002168/PMS)
Number of Vacancies	One
Project Title	Analysis of some mathematical systems modelling heat transfer between two Navier-Stokes-Fourier fluids separated by an elastic interface
Department	Mathematics
Duration of the Appointment	Initially for seven months (extendable depending on the availability of funds and the performance of the candidate)
Job Description	Research Associate/ Post doctoral researcher
Essential Qualification	PhD in Mathematics with a very good publication record. Candidates who have submitted their PhD thesis are also eligible, provided they are suitable for the project.
Desirable Qualification	Very strong background in the analysis of Partial Differential Equations, especially Parabolic and hyperbolic evolution equations. Experience in the analysis of Navier-Stokes equations and related models will get preference.
Age Limit	35 years
Emoluments	Monthly Rs. 62,000/- (Consolidated)
Date of Interview (Online mode)	05/12/2026 (Tentative date)
Last Date of Applications	03/12/2026

Interested candidates are requested to submit a detailed softcopy of their CV with all relevant Essential Qualification Degree Certificates, Marks Sheets, qualifying certificates, Date of Birth Proof Certificate in a single PDF file to souravmitra@iiti.ac.in.

No TA/DA will be paid for appearing in the interview.

Only shortlisted candidates will be called for an interview. Selected candidates will be informed by email.
