Advertisement for Recruitment of RA-I in the Department of Civil Engineering

Date: 13/10/2026	
Applications are invited from interested and motivated candidates for the post of Research Associate - I in a research project as per the following details.	
Position	Research Associate - I (RA-I)
Funding Agency Name	Faculty RDF
Number of Vacancies	01
Project Title	Development of a high-resolution dataset for hydrological applications
Department	Civil Engineering
Duration of the Appointment	3 months (initially)
Job Description	The candidate is required to assimilate various observational, satellite, and remote sensing data sources of basic hydrological variables to produce high-resolution vapor pressure deficit data for hydrologic applications.
Essential Qualification	Ph.D. in Hydrology/ Geoinformatics/ Water Resources Engineering/Natural Resources Engineering or allied fields with at least three papers in SCI (Science Citation Index) journals.
Desirable Qualification	• Candidates with working experience in hydroclimatology, climate extremes, and remote sensing with good subject knowledge are encouraged to apply. • Candidates with experience in handling climate datasets and a command of MATLAB/Python tools.
Age Limit	35 years
Fellowship Details	Rs. 58,000/- per month (consolidated, without HRA)
Date of Interview	19 th October 2026
Last Date of Applications	17 th October 2026

Interested candidates are requested to submit a detailed soft copy of their CV, along with all relevant Essential Qualification Degree Certificates, Marks Sheets, GATE qualifying certificates, and Date of Birth Proof Certificate, in a single PDF file to priyanksharma@iiti.ac.in by 5:00 pm on 17th October 2026. Include the subject line in your email as - Application for Research Associate - I.

Only shortlisted candidates will be called for an online interview. Selected candidates will be informed by email.
