Advertisement for the Recruitment of Research Assistant

Advt. No:

Date: 15/10/2026

Applications are invited from interested and motivated candidates for the post of Research Associate (RA) in a research project as per the following details.	
Position	Research Associate (RA) (Under ICSSR Project No. 02/2024-25/ICSSR/RP/PVTGS/GEN)
Number of Vacancy	01
Project Title	Assessing the Implementation of Mother Tongue-Based Multilingual Education (MTB-MLE) among Kerala's PVTGs: Developing Language Teaching Modules based on NEP2020
Department	School of Humanities and Social Sciences
Duration	Five months. It can be extended, subject to review. Expected to join the project by the second week of November 2026.
Job Description	The Research Associate will contribute to the computational, empirical, and digital components of the research project, with a focus on transforming linguistic datasets into research outputs and accessible digital resources. The position requires working with large text and speech datasets, developing data-processing workflows, and applying quantitative and empirical methods for linguistic analysis. The Associate will also contribute to the development and maintenance of user-friendly web interfaces, dashboards, and data-visualization platforms for presenting linguistic research findings. Key responsibilities include cleaning, structuring, processing, and analysing linguistic data using computational tools; developing reproducible workflows and data pipelines; and applying statistical methods to investigate research questions. The Associate should be available on campus and actively contribute to academic publications, research reports, conference presentations, grant proposals, and technical documentation. The ideal candidate should combine strong empirical research and analytical skills with computational proficiency, academic writing ability, and the capacity to translate linguistic research requirements into functional and accessible digital tools. The position is strictly on-site.
Essential Qualification	Post graduate in Linguistics/ Applied Linguistics/ Computational Linguistics/ Digital Humanities/ Computer Science/ Data Science/ or an allied discipline (55% minimum) with NET/M.Phil./ Ph.D and two years research experience as a Research Assistant in any Project, with demonstrated proficiency in Python, R, statistical/empirical data analysis (SPSS), NLP tools, web technologies (HTML, CSS/SASS/SCSS, JavaScript), and research-oriented academic/technical writing.
Age Limit	35 years
Monthly Remuneration	Rs. 47,000/- (Consolidated) as per ICSSR norms.

Interested candidates are requested to submit a softcopy of their detailed CV with the copy of all relevant Essential Qualification Degree Certificates, Marks Sheets, Experience Certificates, Date of Birth Pro Certificate in a single PDF file in the following Google form: <https://forms.gle/mVT3C16wXTp2mnzZ7> by **30/10/2026 (Friday)**. Tentative Date of Interview: **First week of November 2026**.

- Incomplete applications will not be considered.
- Only shortlisted candidates will be called for an online interview.
- Only the selected candidates will be intimated by email.
- The appointment in the said post is purely temporary.
- If at any stage it is found that the information provided by the candidate is not authentic, the candidature would be cancelled by the institute immediately.
