

Walk in interview for Senior Research Fellow

Eligible and motivated candidates are invited to attend a **Walk-in Interview on 23 October 2026** for the research project entitled:

“India’s Oral Cancer Crises: The Oral Submucosal Fibrosis Challenge”

Principal Investigator: Dr. Hem Chandra Jha

Professor, Mehta Family School of Biosciences and Biomedical Engineering, IIT Indore

Eligibility Criteria

M.Sc./M.Tech. in Biotechnology, Biochemistry, Microbiology, or Life Sciences, with **two years of research experience** in relevant areas.

Desirable Qualification:

Prior experience in the analysis of multiomics data will be preferred.

Fellowship:

₹42,000 per month + 18% HRA.

Duration:

12 months. The appointment is purely temporary and co-terminus with the project.

Date of Walk-in Interview: 23 October 2026 (Friday)

Reporting Time: 10:00 AM

Venue: PoD 1A, Room 717, IIT Indore, Simrol, Indore, Madhya Pradesh – 453552, India.

Instructions for Candidates:

1. Candidates should bring an updated detailed CV, original certificates, and one set of self-attested copies of relevant educational, experience, and other supporting documents.
2. Candidates should report at the venue at the time specified by the Institute/Principal Investigator.
3. No TA/DA will be paid for attending the interview.
4. Mere fulfilment of the essential qualifications does not guarantee selection.
5. IIT Indore reserves the right not to fill the advertised position if suitable candidates are not found.

For further information, candidates may contact Dr. Hem Chandra Jha at hemcjha@iiti.ac.in or +91-7324-3063263.
