Preface

This report on "<Title of the BTP>" is prepared under the guidance of <Name of BTP Guide(s)>.

Preface write-up may be decided by the students. An example of the same is given below:

(Through this report we have tried to give a detailed design of an innovative car control utility for the vehicles and try to cover every aspect of the new design, if the design is technically and economically sound and feasible.

We have tried to the best of our abilities and knowledge to explain the content in a lucid manner. We have also added 3-D models and figures to make it more illustrative.)
